

Zaheen Farraz Ahmad

CONTACT INFORMATION	CSC 2-11 Department of Computing Science University of Alberta Edmonton, AB, T6G 2E8 <i>Email: zfahmad@ualberta.ca</i>
RESEARCH INTERESTS	My research interests mainly include areas in artificial intelligence with a focus on machine learning, search and optimization. Specifically, my work deals with aligning search and learning algorithms to work better together.
EDUCATION	University of Alberta , Edmonton, Alberta, Canada Ph.D., Computing Science, Present <ul style="list-style-type: none">• Advisors: Michael Bowling, Levi Lelis University of Alberta , Edmonton, Alberta, Canada M.Sc., Computing Science, 2017 <ul style="list-style-type: none">• Thesis Topic: “Action Selection for Hammer Shots in Curling: Optimization of Non-convex Continuous Actions With Stochastic Action Outcomes”• Advisor: Robert C. Holte Islamic University of Technology , Gazipur, Dhaka, Bangladesh B.Sc., Computer Science and Engineering, 2012 <ul style="list-style-type: none">• Thesis Topic: “Communication Requirement for Safety Applications in Low-Visibility for VANETs”• Advisor: Md. Mahbub Alam
HONORS AND AWARDS	Graduate Student Teaching Award , 2018 Award for outstanding teaching performance as a Graduate student IUT Gold Medal Award , 2012 Award for graduating with the highest GPA in the department at the Islamic University of Alberta (1 out of 50.)
SCHOLARSHIPS	IUT Scholarship , 2008 Scholarship for covering 3 years of academic tuition at the Islamic University of Technology.
ACADEMIC EXPERIENCE	University of Alberta , Edmonton, Alberta, Canada Graduate Research Assistant Fellow May, 2014 - Present <ul style="list-style-type: none">• Conducting current Ph.D. research• Main member of the Computer Curling Research Group• Maintain the curling simulator software repository• Supervised Undergraduate interns during their work in the summer semesters Teaching Assistant Sep, 2013 - Dec, 2020 <ul style="list-style-type: none">• Instructed and graded labs per semester for the introductory Computing Science courses targeted toward both CS and non-CS students

- Conducted supplementary lectures that provided extra coverage of difficult concepts in the course curriculum
- Instructed main lectures of the course when the professor was unavailable

Islamic University of Technology, Gazipur, Dhaka, Bangladesh

Junior Lecturer

Dec, 2012 - Jul, 2013

- Helped design and instructed courses on Data Structures, Numerical Methods and Database Management Systems

PROFESSIONAL
EXPERIENCE

AB Sciex Pte. Ltd.

Data Science Consultant

Dec, 2017 - Feb, 2018

- Performed data analytics and machine learning evaluations
- Tested feasibility of automating microbacterial classification using artificial intelligence models

ACADEMIC
SERVICES

Conference Reviewing

NeurIPS (2022), AAAI (2022)

University of Alberta

Vice-President, Computing Science Graduate Student Association

2015

Islamic University of Technology

Treasurer, IUT Computing Society

2012

Organizing Member, National ICT Fest

2012

OUTREACH

University of Alberta

Presenter, Iverson Day demos for high school students

2014 - 2019

Panelist, WP Wagner Panel on further education for high school students.

2015
